

2019 REISLING

This wine represents the passing of a torch, the transition of one family's history to another's future. Planted in 2004 by the Zurakowski family, the former Archangel vineyard produces organically farmed single vineyard wines of purity and elegance. Purchased by the Valmorbida family following the 2019 harvest, it is now home to their beloved Nanny Goat Vineyard. The 2019 Pinot Gris was masterfully guided from vineyard to bottle by VinPro winemaker Pete Bartle, who fittingly did the same for the very first vintage of Nanny Goat back in 2005.

Tangerine and lime tantalise on the nose, along with subtle nuances of freshly baked apple pastries. A gentle sweetness greets the palate, cascading with Apricot, Granny Smith Apple and Citrus fruits, while a fine seam of acid provides perfect balance and ensures a long, seamlessly elegant finish.
