

2020 QUEENSBERRY SINGLE VINEYARD PINOT NOIR REVIEWS

97 POINTS | 4.5 STARS

NEW RELEASES WINE SHOW

Wine State Magazine, 16 October 2021

94 POINTS

Distinctive power and intensity with a core of energy, aromas of dark cherries and spices, stony earthy qualities and smoky oak complexity. Flavours of raspberry and plum then cherry, dark rose and baking spices of oak. Firm youthful textures with tannins and acidity needing cellar time fuse with the fruits and develop more harmonies. Great potential with power, finesse and polish. Best drinking late 2022 through 2028+.

Cameron Douglas MS, World of Wine, Winter Edition, 14 May 2021

92 POINTS

Very deep, bright, youthful purple/red colour, with aromas of black fruits, mixed spices and dried herbs, and a lacing of fragrant oak adding an extra detail. The wine is medium-bodied and firmly structured with abundant, quite firm tannins. It's a bolder, more solid style of pinot that is typical of the region. A rather obvious pinot with an almost overripe fruit note. It has potential for cellaring but already drinks well.

Huon Hooke, The Real Review, 6 August 2021
