Delicately fragrant chardonnay with stewed apple, clove, lemon curd, vanilla and subtle spicy oak flavours supported by fine, peppery tannins. Nicely textural with good mouth feel and a lengthy finish.

A medium-bodied white with sliced apples and hints of honey and brioche. It's layered and flavorful, with nice pie crust and cooked apples in the finish. Drink or hold. Screw cap.

A youthful and delightful bouquet of fresh white fleshed orchard fruits with apple and white peach then gentle baking spices from barrel and a light baked nut and gun-flint quality. A silky texture touches the palate first then a medium+ to full-bodied weight and core fruit flavours immerse the palate in style. Contrasting acidity, flavours of nutty barrel spices, stone fruits, gun-flint and citrus then gently warming alcohol lead to a lengthy and quite frankly, delicious finish. (Vintage 2022)

A most textural and generous wine but one held with close attention from a crisp acidity and edgy lemony grapefruit control. The palate is deeply complex with a nutty creaminess but then the nectarine and citrus notes lift. Went through malo and then had some lees stirring which have clearly contributed to its appealing mouth feel. The finish is almost refreshing. A very nice wine. (Vintage 2022)
