

2021 QUEENSBERRY SINGLE VINEYARD PINOT NOIR REVIEWS

94 POINTS

Fragrant, floral aroma with the scent of red rose leads to a more fruit-forward palate with dark cherry/berry characters with subtle fresh herb flavours. A backbone of fine, ripe tannins gives energy and suggests cellaring potential.

Bob Campbell, The Real Review, 28 July 2022

93 POINTS

An enticing mineral laden bouquet with scents of chalky clay soils then a core of light red fruits and barrel spices then a soft smoky soil quality. Undeniably complex with a pinosity and charm. Equally enticing on the palate with texture then flavour, an abundance of fine tannins from needle point to moderate then acidity and fruit flavours delivering a core of red fruits, medium+ acidity and length developing complex finish. Great drinking from mid to late 2023 through 2030+.

Cameron Douglas MS, 3 August 2022

97 POINTS | 4.5 STARS

A complex and very more-ish Pinot with great varietal persistence. Has brooding forest floor fragrances and dark fruit flavours with cedary oak and nice acid line. (2020 Vintage)

Wine State Magazine, 16 October 2021

96 POINTS | GOLD

A bouquet with aromas of dark cherry, plums and wild thyme, forest flowers and dried herbs. Firm backbone of tannins and acidity on the palate. (2020 Vintage)

Decanter World Wine Awards, 7 June 2022

5 STARS

Certified organic, this deeply coloured, very ageworthy wine was estate-grown at Queensberry, in the Cromwell Basin, hand-picked and matured for nearly a year in French oak barriques (27 per cent new). A powerful, sturdy red, it has dense cherry, plum and spice flavours, earthy and savoury notes adding complexity, finely balanced tannins, and a real sense of youthful potential. Best drinking 2024+. (2020 Vintage)
