5 STARS

Deep ruby, the 2020 vintage (5*) was grown principally at sites in Pisa, Queensberry (the company-owned Nanny Goat Vineyard) and Gibbston, and matured for over a year in French oak barriques (25 per cent new). A powerful yet supple red, it is invitingly fragrant and mouthfilling, with deep plum and spice flavours, complex and savoury, that build to a finely structured, lasting finish. Well worth cellaring. (Vintage 2020)
